Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

Tax Receivable Agreement On June 7, 2022, in connection with the completion of the transactions contemplated by the Agreement and Plan of Merger, dated as of December 12, 2021, by and among SVF Investment Corp. 3, Warehouse Technologies LLC, Symbotic Holdings LLC and Saturn Acquisition (DE) Corp. (the "Merger Agreement" and such transactions, the "Business Combination") and as contemplated by the Merger Agreement, the Issuer, OpCo and each of the other members of OpCo (the "TRA Holders"), including the 2014 QSST, entered into that certain Tax Receivable Agreement (the "Tax Receivable Agreement"). In connection with the Distribution, the 2014 QSST assigned all of its rights under the Tax Receivable Agreement to The Goose Pond Trust and The Goose Pond Trust executed a joinder to the Tax Receivable Agreement. Pursuant to the Tax Receivable Agreement, the Issuer is generally required to pay the TRA Holders 85% of the amount of the cash savings, if any, in U.S. federal and state income tax that the Issuer actually realizes (or are deemed to realize in certain circumstances) in periods after the Closing as a result of (i) the existing tax basis in certain assets of OpCo that is allocable to the relevant OpCo Units, (ii) any step-up in tax basis in OpCo's assets resulting from (a) certain purchases of OpCo Units, (b) future exchanges of OpCo Units for cash or shares of Class A Common Stock, (c) certain distributions (if any) by OpCo and (d) payments under the Tax Receivable Agreement, and (iii) tax benefits related to imputed interest deemed to be paid by the Issuer as a result of payments under the Tax Receivable Agreement. The term of the Tax Receivable Agreement will continue until all such tax benefits have been utilized or expired unless the Issuer exercises its right to terminate the Tax Receivable Agreement for an amount representing the present value of anticipated future tax benefits under the Tax Receivable Agreement or certain other acceleration events occur. Moreover, the Tax Receivable Agreement provides that, in the event that (i) the Issuer exercises its early termination rights under the Tax Receivable Agreement, (ii) the Issuer experiences certain changes of control (as described in the Tax Receivable Agreement) or (iii) the Issuer breaches any of the Issuer's material obligations under the Tax Receivable Agreement, the Issuer's obligations under the Tax Receivable Agreement may accelerate and we could be required to make a lump-sum cash payment to each TRA Holder equal to the present value of all future payments that would have otherwise been made under the Tax Receivable Agreement, which lump-sum payment would be based on certain assumptions, including those relating to the Issuer's future taxable income. Payments under the Tax Receivable Agreement will generally be made pro rata among all TRA Holders entitled to payments on an annual basis to the extent the Issuer has sufficient taxable income to utilize the increased depreciation and amortization deductions. The availability of sufficient taxable income to utilize the increased depreciation and amortization expense will not be determined until such time as the financial results for the year in question are known and tax estimates prepared, which typically occurs within 90 days after the end of the applicable calendar year. The Issuer expects to make payments under the Tax Receivable Agreement, to the extent they are required, within 125 days after its federal income tax return is filed for each fiscal year. Interest on such payments will begin to accrue at a rate equal to SOFR plus 100 basis points from the due date (without extensions) of such tax return. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Tax Receivable Agreement, included with this Schedule 13D as Exhibit 3, and incorporated herein by reference. Registration Rights Agreement On June 7, 2022, in connection with the completion of the Business Combination and as contemplated by the Merger Agreement, the Issuer, SVF Sponsor III (DE) LLC (the "Sponsor"), certain legacy directors of the Issuer, and certain directors, officers and stockholders of the Issuer (the "Registration Rights Holders"), including the 2014 QSST, entered into that certain Amended and Restated Registration Rights Agreement (the "A&R Registration Rights Agreement"). In connection with the Distribution, the 2014 QSST assigned all of its rights under the A&R Registration Rights Agreement to The Goose Pond Trust and The Goose Pond Trust executed a joinder to the Registration Rights Agreement. Pursuant to the A&R Registration Rights Agreement, the Issuer agreed to file a shelf registration statement with respect to the Registrable Securities (as defined in the A&R Registration Rights Agreement) held by the Registration Rights Holders within 45 days of the date of the A&R Registration Rights Agreement. Up to three times in any 12-month period, certain of the Symbotic Equityholders (as defined in the A&R Registration Rights Agreement) and the Sponsor (including their respective permitted transferees) may request to sell all or any portion of their Registrable Securities in an underwritten offering that is registered pursuant to the shelf registration statement, so long as the total offering price is reasonably expected to exceed \$25,000,000. The A&R Registration Rights Agreement provides for customary "demand" and "piggyback" registration rights. The A&R Registration Rights Agreement provides that the Issuer will pay certain expenses relating to such registrations and indemnify the equityholders party thereto against certain liabilities. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the A&R Registration Rights Agreement, included with this Schedule 13D as Exhibit 4, and incorporated herein by reference. Second Amended and Restated Limited Liability Company Agreement of OpCo On June 7, 2022, in connection with the completion of the Business Combination and as contemplated by the Merger Agreement, Symbotic, OpCo and each of the other members of OpCo entered into the Second A&R LLC Agreement, which, among other things, appointed Symbotic as the managing member of OpCo. The operations of OpCo, and the rights and obligations of its unitholders, including the following redemption rights, are set forth in the Second A&R LLC Agreement. In connection with the

Distribution, all of the 2014 QSST's rights under the Second A&R LLC Agreement were assigned to The Goose Pond Trust and The Goose Pond Trust executed a joinder to the Second A&R LLC Agreement. Following the Closing, each OpCo Unit may be redeemed by the holder thereof for shares of Class A Common Stock (or an equivalent amount in cash, at the option of the Issuer, subject to the provisions of the Second A&R LLC Agreement) at a value equal to the arithmetic mean of the volume-weighted average price of a share of the Class A Common Stock for the full five trading days immediately prior to the redemption date, subject to certain exceptions. Upon such redemption, a number of shares of the Class V-3 Common Stock or Class V-1 Common Stock, as applicable, equal to the number of the redeemed OpCo Units, will be transferred to the Issuer and cancelled by the Issuer. In addition, the Issuer generally will have the right to require, in connection with a change of control of the Issuer, each OpCo unitholder to effect a redemption of all or a portion of such member's OpCo Units together with an equal number of shares of Class V-1 Common Stock or Class V-3 Common Stock, as applicable, pursuant to which such units and such shares will be exchanged for shares of Class A Common Stock (or economically equivalent cash or securities of a successor entity). The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Second A&R LLC Agreement, included with this Schedule 13D as Exhibit 5, and incorporated herein by reference.
